Kick off

- 1 Put the letters in the correct order to make the two words missing in the definition.

_____ RIA _____ ATWRE land

The environment is the natural world, for example the land, _____, and _____ in which people, animals, and plants live.

- 2 Environmental pollution occurs when we make the environment dirty and harm or kill the plants and animals that live there. How does the oil and gas industry cause pollution and affect the environment? Make a list. Look at the photos for some ideas.
- 3 Can you think of examples of pollution in your area? What causes the pollution? How could people stop or reduce this pollution?
